MEDICAL CONDITIONS AND/OR MEDICATIONS

Listed below are any medical conditions including allergies about which the district or trip chaperone may need to know, as well as any medications currently being administered at school that are to be given while on the field trip. ALL medications must be provided from the parent/legal guardian to the teacher in the original container with only the exact dosage needed for this field trip. The nurse cannot send these medications from the health room. Please consult your pharmacist where the prescription was dispensed to obtain an additional labeled prescription bottle. If over the counter medications are necessary, please purchase and send the smallest size available for this medication.

When it is possible based on availability, school bus transportation will be used to transport students on field trips. In cases where school bus transportation is not possible due to availability and/or not practicable based on the number of students who are going on the field trip, private automobiles driven by parents/legal guardians, teachers or students may be used on field trips, subject to written approval from the principal/director. All drivers must be at least 18 years old and must provide proof of insurance coverage to the district. In no case will students be transported in any vehicle (including vehicle rentals/charters) designed or used to transport more than 10 passengers, including the driver, unless that vehicle meets the definition of a school bus under federal law.
